The thing I like isn't him

Not a day passed without a man far, the handsome designer, Kanbe. His absolute commitment in chasing a guy is their secret. He's gone out with countless guys already, but has yet to find the one. Well, there he is! Takahashi-kun, a delivery man, stole his heart and his nose, and Kanbe made a move on him right away. Takahashi-kun is like a puppy wagging his tail at Kanbe with all his heart, but on the other hand, Kanbe starts to feel guilty for what he has done.

Other than the title work, a thing about a sweet love between high school students, an ill-tempered blonde boy of mixed race and a pure-hearted boy with black hair. Bokurochi no Kakeru Houkou, has been compiled. Tanaka Popo's long-awaited first publication!

Completion Work

- The King with Lipstick
- Tenthredinary Club
